

**Navigating Through
Healthcare Careers:
Unlock Your Future**

**Saturday
April 25th, 2009**

Eccles Health Sciences Education Building at the University of Utah

*Undergraduate and high school students are invited!
Bring your parents to the new parent component available this year.*

• *Medicine* • *Nursing* • *Pharmacy* • *Physician Assistant* • *Physical Therapy* • *Public Health*

LMSA is dedicated to helping increase the number of underrepresented students in healthcare fields. Our goal is to help educate and expose students to different health care areas. Respective graduate students and admission personnel will be present to give you the **latest** information regarding admissions, deadlines, and career opportunities.

Please register for our 3rd annual conference:
www.lmsautah.org or call Moises: 801-598-4117
