AVOID SCAMS!

Commercial financial aid advice services can cost well over \$1,000. Now, simply charging for help or information that's available for free elsewhere is not fraudulent. However, if a company doesn't deliver what it promises, it's scamming you. If you're unsure whether to pay a company for help finding financial aid, stop and think for a minute: What's being offered? Is the service going to be worth your money? Find out more at: **[HTTPS://STUDENTAID.ED.GOV/SA/TYPES/SCAMS](https://studentaid.ed.gov/sa/types/scams)**
